SCENARIO 2: Current Date Mode – No Upcoming Election

Mode: Current Date
For: ZIP 15301 – Washington, PA

🎯 Priorities Mapping
We have mapped your priorities to policy terms to provide the best recommendations.

User Concern	Mapped Policy Term(s)
Tired of high income taxes; wants to pass on wealth to children	Tax policy reform, Family wealth preservation
Disagrees with hiring based on race/gender	Affirmative action, Equal opportunity employment
Uncertain about climate change claims	Environmental regulation skepticism, Climate policy transparency
Needs better local transportation	Public transit investment, Urban infrastructure
Wants Jan 6 rioters held accountable	Election security, Criminal justice, Domestic extremism
Afraid of AI and wants it explained in simpler terms	AI governance, Tech literacy, Algorithmic transparency

🇺🇸 Ways to engage:

✉️ Draft Emails to Elected Officials

To: Mayor Delia Parks `<dparks@washingtonpa.gov>`
Subject: Better Local Transit Options Needed

Dear Mayor Parks,
As a resident of Washington, PA (ZIP 15301), I'm writing to support Prop 204 and encourage city council to expand our public transit network. Affordable and reliable transportation is essential for working families. Thank you for your leadership.

——

To: Rep. Jonah Bell `<jbell@pahouse.gov>`
Subject: Thank You for Opposing Race-Based Hiring

Representative Bell,
I appreciate your efforts to bring balance and transparency to hiring policies in our state. Please continue to advocate for equal opportunity without race or gender preference.

————————————————————————————————————

To: Sen. Marvin Oakes `<moakes@senate.gov>`
Subject: Support Plain Language in AI Policy

Senator Oakes,
I'd like to thank you for voting to support the AI transparency bill. As someone concerned about AI's impact, I urge you to continue advocating for understandable, responsible tech policy.
