# SCENARIO 1:
# Current Date Mode – With Upcoming Off-Year Election

**Mode:** Current Date
**For:** ZIP 15301 – Washington, PA

## 🎯 Priorities Mapping

We have mapped your priorities to policy terms to provide the best recommendations.

| User Concern | Mapped Policy Term(s) |
|---|---|
| Tired of high income taxes; wants to pass on wealth to children | Tax policy reform, Family wealth preservation |
| Disagrees with hiring based on race/gender | Affirmative action, Equal opportunity employment |
| Uncertain about climate change claims | Environmental regulation skepticism, Climate policy transparency |
| Needs better local transportation | Public transit investment, Urban infrastructure |
| Wants Jan 6 rioters held accountable | Election security, Criminal justice, Domestic extremism |
| Afraid of AI and wants it explained in simpler terms | AI governance, Tech literacy, Algorithmic transparency |

| **Marcos Vidal** | Favors tech transparency, moderate on transit expansion, neutral on DEI | ✅ |

| | | |
|---|---|---|
| **Anya Bellamy** | Transit-focused, supports green infrastructure, neutral on Jan 6 issues | ⚠️ |

## Mayor Candidates

| Candidate | Summary | Match |
|---|---|---|
| **Delia Parks** | Pro-transit, moderate on taxes, no position on AI | ✅ |
| **Nico Warren** | Supports affordable housing, skeptical of climate policy, AI-agnostic | ✅ |
| **Sara Doyle** | Pro-DEI, strong on green energy, supports city tech investments | ⚠️ |

## City Council Candidates

| Candidate | Summary | Match |
|---|---|---|
| **Jon Cross** | Opposes DEI policies, supports local business tax cuts, pro-transit | ✅ |
| **Felicia Wren** | Advocates for transparency in government AI use, neutral on tax | ✅ |
| **Tasha Redd** | Invests in walkable neighborhoods, pro-DEI, AI awareness advocate | ⚠️ |

## School Board Candidates

| Candidate | Summary | Match |
|---|---|---|
| **Derek Monroe** | Opposes race-based curricula, supports AI and civics education | ✅ |
| **Lina Ortiz** | Tech-forward, promotes balanced curriculum, neutral on DEI | ✅ |
| **Harold Kim** | Focused on school safety, supports inclusive policies, AI-curious | ⚠️ |

## ⚖️ Ballot Measure Recommendations

| Measure ID | Title | Summary |
|---|---|---|
| Prop 204 | Washington County Transit Levy | Adds 0.25% sales tax for expanded rural bus service |
| Prop 301 | Plain Language AI Act | Requires public AI policies to be explained at an 8th-grade level |

| | | |
|---|---|---|
| [Prop 112](#) | Senior Property Tax Freeze | Caps property taxes for seniors; supported by cross-partisan coalition |

## ✉️ Draft Emails to Elected Officials

**To:** Mayor Delia Parks `<dparks@washingtonpa.gov>`
*Subject:* Better Local Transit Options Needed

Dear Mayor Parks,
As a resident of Washington, PA (ZIP 15301), I'm writing to support Prop 204 and encourage city council to expand our public transit network. Affordable and reliable transportation is essential for working families. Thank you for your leadership.

————————————————————————————————————

**To:** Rep. Jonah Bell `<jbell@pahouse.gov>`
*Subject:* Thank You for Opposing Race-Based Hiring

Representative Bell,
I appreciate your efforts to bring balance and transparency to hiring policies in our state. Please continue to advocate for equal opportunity without race or gender preference.

————————————————————————————————————

**To:** Sen. Marvin Oakes `<moakes@senate.gov>`
*Subject:* Support Plain Language in AI Policy

Senator Oakes,
I'd like to thank you for voting to support the AI transparency bill. As someone concerned about AI's impact, I urge you to continue advocating for understandable, responsible tech policy.
